

14th March 2007

9:00 hr – 16:30 hr

**Tonman House, 63/77 Victoria Street
St. Albans, Herts. AL1 3ER**

This Learning Exchange is supported by the East of England NHS

Purpose of the day

This is a really useful day and has been excellently rated by previous attendees, bringing together PCTs, GPs and Practice Managers from across the Bedfordshire & Hertfordshire areas to share and develop their use and understanding of data and information within PBC. The focus will be on local needs and the style of the day will be interactive.

The Speaker for the day is

Andrew Hyslop

He is an NA Wilson Associate and an experienced consultant. Andrew is a qualified accountant with senior experience at NHS Trusts. His work has included complex business modelling for Foundation Trusts. He also has a background in both NHS Commissioning and private healthcare providers.

Outline for the day

Session 1: PBR – Focusing on how the tariff is constructed and likely to develop

Session 2: General approach to finance, including weighted capitation/market forces factors/Trust and FT finances

Session 3: Information, how to spot coding and counting and how to combat this

Session 4: Clinic to discuss local problems. Please bring any information (data/contract monitoring/budget analysis) along

Lunch will be provided between sessions at 12.30pm.

REGISTRATION

Registration for this event must be booked in advance – Please complete the booking form attached with this flyer.

Could you put any suggestions for topics (up to three) for discussion during the free time on your booking form.

There are only 50 places available and these will be allocated on a strict 'first come first served' basis.
