Developing as a Provider

The Improvement Foundation and the National Association of Primary Care are running a major event for practices and consortia aimed specifically at those wanting to know more about developing as a provider of services.

The one-day workshop will help you to develop your skills to maximise the opportunities available under Practice Based Commissioning

The workshop comprises:

- National Speakers – including Department of Health, Practice Managers, GPs & PCT Senior Executives
- Breakout sessions covering a variety of topics, including:
 - **Structural options**
 - **Funding options**
 - **The contracting process**
 - **Guidance on the technical elements of provision**

Target Audience:

- GPs
- Practice managers
- Consortia managers
- Other clinicians and Managers from the NHS interested in developing as a provider

Workshop date:

**21st November, Paragon Hotel,
Birmingham**

**Register Online for this 'free of charge' event at:
