West Hertfordshire Practice Based Commissioning (PBC)

We invite you to register on this website by sending in your name, or name of your organisation, and your email address. In West Herts there are four PBC groups, one for each of the following areas: St Albans and Harpenden, Dacorum, Watford and Three Rivers (including Attenborough and Manor View surgeries in Bushey), and Hertsmere. You can register for one or more areas. An email alert will be sent to you when new documents are added to the PBC area for which you have registered. You can then comment on the draft proposals. The timescales for receipt of comments will be indicated on the website. We hope you will find this a useful facility.
